### Referrals:

Please refer to your insurance plan manual for your referral policy. Referrals to specialists for new patients will be authorized only after and initial visit. We require one week for the processing of referrals for routine visits. Emergency referrals will be done on a case by case basis. Once completed, referrals can be picked up in the office during regular business hours, unless your insurance participates with electronic submission of referrals.

### Payment of fees:

The responsibility for payment of fees, including co-payments and deductibles, is the direct responsibility of the patient, not his or her insurance carrier. To prevent high administrative costs which would adversely affect the fees we charge, it is our policy to ask for co-payment and deductibles at the time of your office visit. We accept cash, checks, and credit.
